

TITLE: *This is Living*

TEXT: *1 Corinthians 15:20-23*

Why is the term “Easter” perhaps not the best title for this day?

Where does the story of Easter really begin?

What were Adam and Eve’s original condition
when it came to life and death?

What is “federal headship”, and what does it have to do with Easter?
How does Paul use the concept in 1 Corinthians 15?

The power of Christ’s resurrection is really the power of
God’s work of re-creation, and it impacts us on every level
of our being – body, soul, mind, and spirit.
