

SERIES: *Scary Close*  
TITLE: *God's Divine Design*  
TEXT: *Genesis 2:23-25*

What is an ordinary example of the way *relational* intimacy and *physical* intimacy track with one another?

What is one of God's principles for human interaction?

What is the principle of "complementarity" we read about in Genesis 2?

In 1 Corinthians 6:18 Paul speaks about the unique nature of our sexual choices – what is that?

What are some practical steps single people can take to keep the tracks (physical/relational) in tandem?

What are some practical steps married people can take to maximize their intimacy?
